

Refugee Assistance & Immigration Services

WHY SHOULD YOUR COMPANY HIRE A REFUGEE?

Benefits of Recruitment:

- By working with the Refugee Assistance & Immigration Services Program at Catholic Social Services, you receive the benefit of candidate screening, services of an interpreter and any specific support you may need.
- You will not spend time and money running advertisements or working through staffing agencies. Our services are FREE of charge!
- RAIS offers post-placement assistance and support to make each hire a long-term success.

Great Employee Retention:

- Companies find that employing refugees will lower turnover.
- Our clients are motivated individuals with a strong work ethic. They are committed to getting the job done!
- Refugees are often looking for entry level positions.

Increased Job Productivity:

- Any business that needs additional employees to meet their production needs will find refugees a welcome and creative solution.
- Increase your productivity. Refugees tend to do more volume, more quickly.
