Catholic Social Services (CSS), accredited by the national Council on Accreditation, is one of the largest social service agencies in Alaska. CSS was incorporated in 1966 as a 501(c)(3) non-profit corporation with the mission to serve the poor, strengthen individuals and families and advocate for a just community. Over the years CSS has grown in response to many unmet needs in the community.

CSS operates 9 multi-faceted programs including two emergency shelters, two homes for teens, a food pantry, supportive housing, an adoption and pregnancy support program, services for individuals with disabilities, and a refugee resettlement & immigration program. CSS is the social service arm of the Archdiocese of Anchorage serving, engaging and employing people of all faiths.
