Saint Francis House Food Pantry's drive thru/walk up service is located on the North side of the building.

Drivers – have an empty space available in your vehicle for your food box(s), follow traffic signs around the building. Pull up next to the new building and have your ID ready. You can wait in your vehicle and a staff member will come out to check you in and give you your food box.

Walkers – you can skip the vehicle line and line up next to the building. Have your ID ready and a staff member will come outside to check you in and hand you your food box.
